WE ASPIRE TO  
A BOLD FUTURE  
IN MINNESOTA

**COURAGE  
STARTS  
WITH YOU**

*Introducing*  
**Change Network  
Minnesota**

Our new leadership program will challenge and inspire you to grow and make change for a more equitable and inclusive Minnesota. This program is designed for anyone in communities, organizations, and systems that are positioned to be change makers.

# WE WANT YOU TO JOIN US IF:

- you have been fighting for change but have come up against obstacles,
- you want to be in the company of others who aspire to address issues on equity and inclusion,
- you desire mentorship and coaching support,
- you seek inspiration and courage, and need to boost your leadership journey.

# WHAT WILL THIS PROGRAM LOOK LIKE?

In this leadership program, you will dive deep into yourself and your culture, and explore what it means in relation to your leadership journey. You will learn how to leverage that inner strength to make positive change.

Your time in the program will be supported by cultural elders, your organizational champions, and a strong team of trainers. You will put what you learn to use immediately in a plan to implement these changes, supported by a \$5,000 grant.
